

THE RSC VANTAGE C BUILDS ON AN ALREADY IMPRESSIVE COMBINATION OF GREAT LOOKS, PRECISION HANDLING AND GT STYLE HORSE-POWER

Our approach was simple, seamlessly integrate a host of visual and mechanical enhancements onto an already breathtaking iconic road car. The result is a car with an impressive 65 extra HP, Specially developed suspension and a Le Mans inspired Aero kit that gives the Vantage C a more aggressive personality worthy of the extra power on tap. Log onto www.rsctuning.com to view details on the Vantage C and the many innovations in store for the Vantage Concept.
